BPRC Opportunities:

Setting Up Shop - Adults 18+

Join us in setting up an enjoyable shopping experience for our clients. Our boutique is filled with clothing (infant to size 2), maternity clothes, cribs, bouncers, diapers, and much more. Everything in the boutique is free. Most of our items are donated from our wonderful community. We welcome gently used or new items. As a volunteer you would sort and hang clothes, date baby food and formula, and help keep the boutique organized and tidy. You would serve under the supervision of our Boutique Coordinator.

Administrative Skills - Adults 18+

Come share your administrative skills with us. Office tasks consist of greeting clients, answering phones, making appointments, inputting client data, and general office work.

Client Coaching - Adults 25+

The tasks of a client coach on a typical day may consist of interviewing a new client, assisting in a pregnancy test, showing a training video, offering referrals, or taking your client out to shop in our boutique. As a client coach you would be required to go through training prior to working with clients and shadowing with a seasoned coach until you feel comfortable enough to proceed on your own. BPRC clients are pregnant moms and moms and dads with children under 2 years.
